METCH OF BARLY WESTERN LIPE. Kantucky was an infant State, and foot of civilization had trodden her before the foot of civilization had trodden her giant forests, there lived upon a branch of Green River, in the western part of that state, an eld hunter, by the name of John Slater. His hut was upon the southern bank of the stream, and save a small patch of some down acres that had been cleared by his axe, he was shut up by dense forests. Slater had but two children at home with him—two cons. Philip and Donlel, the former fourteen, and the latter twelve years of age. His elder children had gone South. His wife was with him, but she had been for several years an almost helpions cripple from the offects of severe rheumatism.

It was early in the s,ring and the old hunter had just returned from Columbia, where he had been to carry the product of nie winter's labor, which consisted mostly

Letter addressed to care of Mr. Curtis Batch, Agent at Ravenan Ohio.

To Dr. Manenest.—I have been ten years troubled with Female Complaints—prolapsus uteri, and all the attending stiffculties; at times renderleg my life most miserable. I have had the atten-dance of some of the best physicians, with but lit-tle success; the most they could do was to relieve the success; the most they could do was to relieve

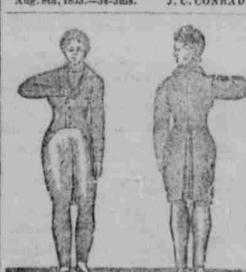

agure was out of the question. For five months
before commencing with your medicine, I had not
been able to perform any labor, could walk but a
few steps at a time, and scarcely went out or
doors—in short, I was completely prostrated, both
in body and mind, and expected to drag out the
rest of my days in suffering and misery. But reading your advertisement, I was induced to try your
invaluable medicine called Userine Catholicon, as
in best assorted stock of Boots and Shoes ever
offered in the West. avaluable medicine cailed Userine Catholicon, as the last resort. I had not used it a week before I folt like another woman. By the use of three but-ties I was enabled to perform all the labor for six in the family with case, and could walk any where in the neighborhood without injury. Nething but a sense of my duty to you and to the afflicted, has induced the to state my case to the public. I can safely recommend the preparation to all those

suffering like myself. MIN. SARAH A. BIRNOP. PRESIDON, PORTAGE Co., Ohlo, Dec. 27, 1852. J. B. MARCHISI & Co., Proprietors, Cherral Deror, 304 moneyay, S. Y. August 9th, 1853.—34-0mos.

Wishes to sell a farm, situated two and a half miles north of Brookville, near the Pike leading to miles north of Brookville, near the Fisher and Connersville, containing 160 acres of land. One hundred acres are under fence and good cultivation. There are two good dwelling houses on it, a large barn, stable and granary, cornerib, and other out-houses, 115 good fruit trees mostly grafted.—

The farm can be sold in one or two divisions; each The farm can be sold in our can be sold in the farm can be sold in the farm can be sold in the farm can be sold in the f The farm can be sold in one or two divisions; each | m y 7 one has a dwelling on it. There is a good cellar, cistern and wells and never failing springs. For further information inquire on the premises.

Aug. 8th, 1853.—34-3ms. J. C. CONRAD.

I have also received a large let of Cloths, Cast-mors, Vestings, Tweeds Cashmarett, Erminett, Dress Jeans, direct from New York, all of which I will make up at the shortest notice, and on rersoeable terms.
Having recently enlarged my store, it now af-

fords room for additional numbers by which my old customers can be more comfactably accommodated to whom, and the public generally, we extend a cordial invitation to call.

JOHN WILLIAMS.

Mt. Carmel, April 7th, 1852.—17-3m.

Philip opened the window without moving roun his bed, and it swung upon its leathern nice little cottages, and from cottages to crawlinges without noise. Then he draw off the stayles, and tied one corner of it to the staple sy which the window was hooked. The sy which the window was hooked. The heet was then lewered on the outside, and the new off was then lewered on the outside, and then offer work of the started on the outside, and the new off the started on the outside, and then offer work of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the started on the outside, and the new of the offer which I will company the offer the new of the started on the outside on the outside, and the new of the started on the outside, and the new of the started on the outside on the outside on the outside, and the new of the started on the outside of the new of the started of the offer of the new of the started of the outside of the new of the started of the new of the started of the outside of the new of the started of the outside satisfied, will secure at once the confidence of the public. \$500 CHALLENGE. Whatever concerns the health and happing in periance. I take it for granted that every person will do all in their power to save the lives of heir children, and that every person will endeaves o promote their own health at all sacrifices. to promote their own health at all sacrifices. I feel it my daty to solemnly assure you that WORMS, necording to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which shild, on and adults are liable. If you have an appetite continually changeable from one kind of food to another, find Breath. Pain in the Stomsch, Picking at the Nose, Hardness and Pullness of the Belly, Dry Lough, Slow Fever, Pulse irregular—remember that all these denote WORMS, and you should at once apply the remedy—

HOEENSACK S WORM SYRUP Fever Sores, old Uleers, &c., always yield to the healing influence of this celebrated Salve.

PILES—This Salve is the only remedy that has proven itself infallible as a cure for the riles. If applied according to directions, and persevered in it will in all cases effect a permanent and lasting cure in this painful duesas.

SALT-RHEUM AND TETTER—It has performed the most astonishing cures in these diseases.

RHEUMATISM AND BRONCHITIS—It has given generacosatisfaction in these compliants.

SORE AND SWELLED BREASTS—We would particularly rendminico the Salve for sore Breasts when open it will heal thym sound in a short time.

It will likewise remove all inflammation from the

THE TAPE WORM. This is the most difficult Worm to destroy of all that infect the human system, it grows to an almost indefinite length, tocoming so coiled and fastened in the intest nes and stomach, effecting the health so sadly as to cause \$1. Vitus liance, Elts, &c., that these afflicted soldom if ever suspect that it is 7 arg Worm hastening them to an early grave. In order to destroy this Worm, a very energosic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills, so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of two table-spoonfuls three times a day. These directions followed have never been known to fall in curing the most obstructe case of TAPE WORM.

Dr. J. N. HOBENSACE -Sir:- Gravitude to you, Dr. J. N. HOBENSACE—Sir:—Gratitude to you, the inventor of a highly valuable medicine, pron. ptathis humble testimony in its favor, as being a safe, gentle, yet powerfully effectual remedy for Worms. Baving had much experience in knowing the effects of various preparations, my wife, who was well skilled in ministering to children in distress, pronounced it the best sine had ever used, and would use no other while yours could be had.

A daughter of ours became seriously discussed.—Her symptoms were alarming, but her member a t noce sought for a remedy for Worms. Having obtained yours, by the time she had taken half a bottio, O1 Sir, the loy it gave an affectionate mother, to see the improvement in her child, she being about five or six years old. She passed an immense quantity of Worms, her sickly countenance now brightened, her spirits returned, and in a short time a lovely child, threatened with decline and death, now gave promise of health. Thanks to a death, now gave promise of health. Thanks to a kind Providence, whose blessing attending your Syrup, restored the child. With confidence I reand it to all parents whose children are au
